Hi Emily,

Thank you for providing this additional detail. Please also let me know if anyone may have witnessed this incident so that I can connect with them as well.

For the follow up I promised you for today, I have changed my schedule to be in Perris tomorrow. I have one conversation to have before I meet with Mike. If you need anything at all, please don't hesitate to reach out here, on Slack or via my cell (904-704-1913).

Hi Trevor,

Just wanted to clarify something I was too awkward/unconformable to talk about on the phone with you.

With regard to the 7/22/19 incident we chatted about, Mike touched me right on my chest, in between by boobs. It was very unwelcome and unwanted. It was a lingering touch and made me extremely uncomfortable.

Emily
